

Mission Statement:

Altemp Alloys, Inc. will not compromise our integrity in an attempt to satisfy short-term goals. We are committed to long-term growth, profitability and employment of our personnel and will achieve this utilizing a business approach that takes into account the needs of all our employees, customers, suppliers, and the environment which encompasses an attitude of "Quality First."

Our Quality Policy in all decisions and actions guides all employees of Altemp Alloys, Inc., on a daily basis. Our goal is to provide the following:

- A commitment to comply with requirements of AS 9100
- That the Quality System is appropriate to our distribution practices
- Raw material which meets or exceeds our customers' expectations
- Conscientious, responsive, and professional sales and distribution efforts
- A commitment towards continuous improvement and review of our Quality Management System to improve the effectiveness of it and its suitability

The management of Altemp Alloys, Inc. realizes that success in the future depends upon achieving these goals by:

- Promoting a work ethic, this is predicated upon safety and quality first
- Promoting "Distribution Excellence" via the usage of the best distribution practices and processes
- Providing all employees with the training and tools necessary to perform their job in the most efficient manner possible
- Providing the necessary resources and personal support required for successful implementation of our AS 9100 Quality Management System and Quality Objectives.
